Within 14 days, the Agreements will be signed by Pacific National and the RTBU and will to be sent to FWA, with Statutory Declarations in support of the Agreement being provided by both the Parties.

Members will be advised as soon as the Agreements have been sent to FWA for their decision.

Additional Newsflashes will be issued as developments occur.

Also it is important that we continue to get information about what the Company has put out and about saying (if anything) on what they are planning for any of the Business Group Agreements.

I ask that any such information be given / advised to your local delegate, State Branch and or emailed / faxed to the RTBU National Office. Copies of company newsletters, notes taken by you or individual members from Company held meetings etc should all be sent in. Even if we get the same information numerous times, that's better than not getting it at all, so you should assume we have not seen it nor do we know about it, and send it through.

Do not assume or expect that someone else has sent it to us.

I ask that you continue to support your Delegate and offer to assist them when needed as they represent you and your Union prior to, during and following the Campaign.

If you would like to receive future information to your personal home email please email Bob Hayden at rbayden@rtbu-nsw.asn.au with your name, your location, your classification and your email address and you will be added to the email list.
